

ROTARY BOTANICAL GARDENS 2020

HOLIDAY Light Show

New Safety Precautions Help Keep Everyone Safe.

Thank you for understanding and complying.

While we know that experts have said outdoor gatherings are safer than indoor ones, Rotary Botanical Gardens wants to keep the health and safety of our visitors, staff and volunteers top-of-mind and top-of-action. Due to the increase COVID cases in our local area, and the crowds we have welcomed in the past, we've established new procedures and precautions for the Holiday Light Show.

What the Gardens Has Done for the Increased Safety of our Guests.

The entire Holiday Light Show route is one-way only, including entrance and exit points.

Expanded hours and added Holiday Light Show nights to spread out attendance.

Attendance is capped each night to limit the number of people on site at one time.

Limited parking is available onsite. Shuttle bus service to and from Dawson Ball Field is available as a transportation option.

Hand sanitizing stations and bathrooms are available inside the Visitor's Center.

Porta potties are available in the Wellness Garden (about half-way through the show).

What the Gardens Requires of our Guests for the Safety of our Community.

Tickets **MUST** be purchased for a **SPECIFIC NIGHT** in advance online: rgbholidaylightshow.com **OR IN PERSON** at the Gardens Monday-Saturday from 10 a.m. to 3 p.m.

FACE COVERINGS ARE REQUIRED (ages 2 and up) both indoors and outdoors. All Garden staff and volunteers will be wearing masks at all times.

SOCIAL DISTANCING must be practiced at all times when waiting in lines and on paths.

CHILDREN MUST STAY WITH PARENTS/GUARDIANS at all times.

We know everyone has different opinions on COVID-19 safety. While we respect varying views, we appreciate your understanding of our policies as an organization committed to our community.

COVID-19 Policy: Check yourself for symptoms of COVID-19 before you visit. These include fever or chills, cough, shortness of breath, fatigue, muscle aches, headache, sore throat, loss of sense of taste or smell, congestion, nausea or vomiting, and diarrhea. If you're experiencing any of these symptoms apart from existing health conditions, someone in your household has tested positive for COVID-19, or you or someone in your household are waiting on test results, please do not attend the event.
