QUADRANTS

Rock County is divided into quadrants to assist operating only part of the trail system when conditions don't allow operating county-wide.

The date is April 1st to May 31 for the southward flow & Feb 1st

Thank you:

Landowners
You open your land to us and make this trail system possible!

Club members
You make sure that many people can enjoy our sport as a result of the hard work and dedication of a few!

Map base prepared by Rock County's Public Works Department, Park & Conservation Division, and the Planning, Economic & Community Development Department and by The Rock County Tourism Council

STAY ON MARKED TRAILS!

We depend upon the generosity of many private land owners to make our trail system complete. Help us keep our promise to them or the trails will be closed.

For current status of Rock County trails call the hotline at 608-757-5458.

For current status of adjacent counties call the numbers on the map edges.

STAY ON THE TRAILS!

All trails are subject to change without notice.
