

Janesville Area Convention & Visitors Bureau Tourism Marketing Grant Special Event or Marketing Project/Promotion Guidelines

Objectives

The Janesville Area Convention & Visitors Bureau, Inc. (JACVB) is an independent non-profit 501 c 6 organization and serves as Janesville's Destination Marketing Organization. The JACVB established a Tourism Marketing Fund to assist attractions and event organizers with marketing to visitors from outside of Rock County to encourage overnight hotel stays and provide a positive economic impact.

Qualifying Projects

Target marketing audiences must be outside of Rock County, Wisconsin. Qualifying projects include but are not limited to:

- Promotion of a special event to potential visitors outside Rock County
- Development of marketing materials (brochures, videos, website design, direct mail, etc.)
- Advertising buys and social media campaigns
- Conference and sporting event bidding fees

Eligibility

- Strong preference will be given to non-profit organizations or those with a strong and demonstrated partnership with a non-profit

The JACVB will not consider requests from the following:

- Organizations that discriminate because of race, color, creed, gender, religion, or national origin
- Political organizations, candidates for political office, or organizations whose primary purpose is to influence legislation
- Building, brick and mortar, and capital campaigns
- Organizations or events that benefit only a few
- Organizations requesting funding for staffing/administrative/operational/supplies purposes

- Time of year (November – May considered non-peak event season, with events or promotions for this time given more weight)
- Whether the event/promotion has received a Tourism Marketing Grant before (if so, if changes have been made that affect economic impact, such as adding a second day)

Application Process

Funds are limited and depending on the quantity and quality of the applications, the fund could be completely allocated in the first round of applications. Applicants are encouraged to apply early, regardless of the timing of the event/promotion.

Tourism Marketing Grant applications are typically reviewed twice a year. **Application deadlines are May 15, 2024 and September 1, 2024.** Applications may be considered at other times at the discretion of the committee. Although allowed, applications are discouraged from being submitted more than a year in advance of the actual event/promotion date. Applications for programs within the next 12 months will receive priority consideration. For a successful marketing campaign, applications should be received at least 90 days before a scheduled special event.

JACVB staff reviews applications and clarifies areas as needed with applicants. The Tourism Marketing Fund Committee reviews and evaluates applications using a scoring sheet and makes recommendations to the JACVB Board of Directors. Written notification is forwarded to the applicants following the Board of Directors vote. Successful applicants are not guaranteed future funding. *The JACVB Board of Directors reserves the right to accept or reject any or all applicants. All decisions are final.*

Additional Guidelines

Awards are to be used for approved marketing, promotional materials, and event bidding fees only. This includes advertising, brochures, videos, direct mailings, and social media placed outside of Rock County. The funds will not cover programs, signage, or other operational items that a visitor would see at the event/location. This fund is intended for advance promotional and marketing programs designed to lure visitors to Janesville. **Advertising placed within Rock County is not eligible for reimbursement.** Approved applicants must keep appropriate accounting records. Actual invoices/receipts must be provided prior to the release of funds. **Direct payment by the JACVB to grant-funded vendors is preferred; however, reimbursement is acceptable in most situations.**

Approved projects must provide a detailed final report and request for reimbursement for grant-funded items to the Janesville Area Convention & Visitors Bureau, Inc. within 30 days of the event or project end. The final report will include attendance figures, overall evaluation of the promotion, final budget summary, and an estimate of hotel rooms filled. A survey provided by the JACVB to evaluate the event/promotion must be completed and the results provided to the JACVB in summary form as part of the final report.

Tourism Marketing Grant recipients will become marketing partners with the Janesville Area Convention & Visitors Bureau, Inc.
